LAWFORD FOOTBALL CLUB

COVID 19 MANAGEMENT PLAN

1 -INTRODUCTION

This document has been produced in line with the Government and FA requirements to ensure that the risks have been identified to limit the risk of the spread of the Covid 19 Virus

It is therefore important that the guidelines issued and the items noted within this assessment are complied with at all times by all those using the club house, watching or taking part in training or matches

We would strongly recommend a phased return to competitive football activity as follows:

- Until 31 July – When ready, you can begin competitive training, with the overall group size (inclusive of coaches) being limited to 30 people;
- From August – Competitive matches to begin, for example pre-season fixtures, festivals and small sided football competitions;
- From September – Grassroots leagues, men’s National League System, Women’s Football Pyramid tiers 3 to 6, and FA Competitions can commence.
